About Me

As a highly skilled Front-end web developer with a CS degree, I am excited to offer my expertise and experience to your team. I am passionate about designing and developing engaging and user-friendly websites that meet both the client's and end-users' needs.

Experience

Visible.dmc Dec 2022 - Jan 2023

Front-end web developer Intern

As a front-end web developer at Visible.dmc, I redesigned clients' websites to enhance user experience and achieve business objectives. I integrated a Courier tracking system into existing websites, providing customers with an improved delivery tracking experience. Through collaboration with cross-functional teams, I consistently delivered high-quality websites that met tight deadlines.

Education

2018

Ideal School, Kumta
SSLC

I completed my Secondary School Leaving Certificate (SSLC) at Ideal School, Kumta in 2018, obtaining a strong foundation in key academic subjects. This education has equipped me with fundamental skills and knowledge necessary for professional success.

2020

Dr. AV Baliga
PUC

In 2020, I completed my PUC at Dr AV Baliga College in Kumta, where I acquired a strong foundation in various subjects, including Economy, Accountancy, and computer applications.

2021 - present

AIMCA, Bhatkal
BCA

I am currently pursuing a Bachelor of Computer Applications degree at AIMCA, Bhatkal, with a focus on developing a strong foundation in programming and software development. I am committed to applying my education to excel in a career in technology.
